

Site Services Technician

We are looking for a **Site Services Maintenance Technician** to join our Albuquerque location. Before getting into more detail of the role, here are a few reasons why you'll enjoy being a part of the SUMCO team:

- Competitive Pay
- Excellent Benefits Package (medical, dental, vision, 401K with Company match and no vesting schedule, paid vacation, floating holidays and sick time. Company paid life insurance, short- and long-term disability).
- Monthly Bonus Program up to 10% base salary
- Tuition Reimbursement
- Relaxed dress code
- Wellness program where you earn prizes and money as well as reimbursement towards gym fees

Primary Responsibilities:

- Maintains all standard operating conditions on assigned production-related equipment.
- Maintains and troubleshoots equipment, systems and processes to guideline specifications.
- Performs preventative maintenance on related equipment. Alignment and calibration must conform to internal and manufactures specification and equipment standards as made available.
- Assists in the resolution of equipment, systems or processes problems.
- Develop and/or enhance equipment, process or systems and maintenance of Standard Operating Procedures as necessary.
- Maintains effective housekeeping and cleanliness throughout all assigned work areas and stations.
- Assists in training regarding equipment, systems and processes.
- Must have completed all company certifications and on the job training programs as required and approved by management.
- Read and follow the environmental and safety (EHS) requirements associated with assigned duties, complete required EHS training on time, wear prescribed personal protective equipment and report all hazardous situations they observe and any injuries or incidents they experience or become aware of.
- Participate in safety activities, drills and meetings as directed by supervision.
- May perform other duties as assigned.

Education and Skills Required:

Knowledge of Semiconductor manufacturing equipment (AMAT Epi reactors, ASM Epi reactors, Wet Benches), knowledge of clean room protocol, and ability to work with chemicals in a safe manner. Associate degree or Technical School graduate with 2 - 5 years of related experience in semiconductor wafer fabrication equipment or any equivalent combination of experience and education.

This position is an on-site position with an annual salary range from \$30.00 to \$35.00 depending on education and experience.

Location:

SUMCO is located just next to the Balloon Fiesta Park. Surrounded by stunning mountain views and just 20 minutes from downtown Albuquerque. Located at 9401 San Mateo Blvd NE, Albuquerque, NM 87113.

Please send resume to HR@sumcousa.com

We look forward to hearing from you!

Thank you!
