

Equipment Engineer

We are looking for an **Equipment Engineer** to join our Albuquerque location. Before getting into more detail of the role, here are a few reasons why you'll enjoy being a part of the SUMCO team:

- Competitive Pay
- Excellent Benefits Package (medical, dental, vision, 401K with Company match and no vesting schedule, paid vacation, floating holidays, and sick time. Company paid life insurance, short- and long-term disability).
- Monthly Bonus Program up to 10% base salary
- Tuition Reimbursement
- Relaxed dress code
- Wellness program where you earn prizes and money as well as reimbursement towards gym fees

Primary Responsibilities:

- Installs, troubleshoots, and maintains process equipment. Trains employees, identifies, analyzes, and repairs product failures, orders, and replaces parts as needed.
- Responsible for developing and implementing control systems (logic software and hardware) to meet machine and integrated system requirements.
- Develop control logic software and user interface applications, develop schematics detailing control system configuration and wiring, and design equipment panel layouts using AutoCAD software.
- Support the delivery and qualification of process gasses, and the maintenance and troubleshooting of process gas delivery systems.
- Debug machines and integrated systems, implementing system improvements and upgrades, and the development of and/or updates to system documentation.

Education and Skills Required:

- BS Electrical Engineering degree and 3+ years of related work experience and/or equivalent education and experience.
- Strong analytical skills, especially the ability to identify and resolve complex hardware and controls issues.
- Good understanding of semiconductor processing equipment and high purity gas and liquid delivery systems.
- Project management experience.
- PLC ladder logic programming. Mitsubishi, Omron, Keyence, and Allen Bradley.

This position is an on-site position with an annual salary range from \$90,000 to \$100,000 depending on education and experience.

Location:

SUMCO is located just next to the Balloon Fiesta Park. Surrounded by stunning mountain views and just 20 minutes from downtown Albuquerque. Located at 9401 San Mateo Blvd NE, Albuquerque, NM 87113.

Please send resume to HR@sumcousa.com

We look forward to hearing from you!

Thank you!
